

Core Curriculum Pathways

English

Stage 1 - Developing English Skills

Stage 2 - Entry Level Qualifications

Stage 3 - Functional Skills

Stage 4 - GCSE English Language

Maths

Stage 1 - Maths for Life

Stage 2 - Entry Level Qualifications

Stage 3 - Functional Skills

Stage 4 - GCSE Maths (Foundation)

Science

Stage 1 - Entry Level Qualifications

Stage 2 - GCSE Science Dual Award
(Foundation)

If students have not achieved at least a grade 4 in English and Maths (or FS Level 2 as equivalent), they will continue on the Core Curriculum Pathway.

Preparation for Adulthood

Independent Living Skills

Stage 1 - Personal Development

Stage 2 - Social Development

Stage 3 - Independence Development

PSHE

Our PSHE curriculum is progressive programme (including RSE), where students are taught about Managing Feelings, Self-Awareness, Changing and Growing, Self-Care, Support and Safety, Healthy Lifestyles, The World I Live in, Diversity and Inclusion, Mental Health and Emotional Wellbeing, Next Steps, Respectful and Intimate Relationships

Careers

All students will participate in work placements throughout their post-16 curriculum. All students will strive to achieve this independently by the time they graduate from Utopia.

All students will take the Preparation for Adulthood Pathway as a priority. The amount of time spent on these skills will depend on their level of need.

Specialist Subjects

Art, Animal Care

Stage 1 - Level 1 Introductory - award, certificate, diploma

Stage 2 - Level 1/2 Technical

Work Based/Vocational Studies

Stage 1 - Level 1 Introductory - award, certificate, diploma

Stage 2 - Work placement opportunities

If there are subjects that interest our students that we don't currently offer, we will look into the possibility of adding them.
